	Will
	Community Property Agreement (community property states only)
	Joint Tenancy With Right of Survivorship
	Laws of Intestacy (no will) — WORST ALTERNATIVE!
	Gifts
Have yo	u reviewed the function of your executor with the person designated?
	Receive court certification
	Inventory estate assets
	Publish notice to creditors
	Establish allowance for surviving spouse (if necessary)
	Complete asset valuation
	File tax return
	Receive IRS clearance
	Get closing order from court
	Close estate/distribute assets
Have yo	u done the following?
	Compiled personal income and expense records
	Listed accumulated assets and liabilities
	Reviewed existing life insurance
	Determined and listed your own needs and desires — and those of
	your heirs
	Projected liquidity needed to pay death costs
	Reviewed sources of cash — these may include:
	Life insurance
	• Savings
	 Institutional borrowing
	 Sale of business or liquidation
	Gifting before a death
	Corporate stock redemption
	Buy/sell agreement
	• Preferred stock re-capitalization (See note at bottom of page 9)

• Private annuities

How will you pass on property?

ESTATE PLANNING CHECKLIST for BUSINESS OWNERS (cont.d)

	Determined the needs for your dependents
	Reviewed sources of continuing income — These may include:
	Deferred compensation plans
	Dividends from the company
	Redemption of stock by the corporation
	Lease of building and/or equipment to the company
	Sale of the business
	Decided if the business will pass intact to successor management
	Issues include:
	Will spouse/children have control of the business?
	 If so, will they have enough control to successfully manage it?
	Who will be the key executives?
	Will suppliers and customers continue to stay with the business
	once the transition has occurred?
	Reviewed and decided on a method for maintaining management
	succession — These include:
	Buy/sell agreements
	First right of refusal
	Option to purchase
	Deferred compensation plan
	• Gift
	Private annuities
	 Preferred stock re-capitalization (see note below)
	Established a method for valuing your estate — Methods include:
	Buy/sell agreement
	 Preferred stock capitalization (see note below)
	Pre-death sale contract
	• Gifts
NOTE:	Legislation has changed the impact of preferred stock re-capitalization
	e planning purposes. Be sure to check with your professional advisors

regarding applicability to your situation.
